

Dear Friend,

Bonnie CLAC helped you . . . could you help us spread the word? You are the heart of our program, and you know how it works.

Please cut and give this card to family members, friends or co-workers. If they complete our program and purchase a vehicle, we'll send you \$25.00.

Let us help someone in your life the way we have helped YOU. Thank you.

Warmest wishes.

The Staff at Bonnie CLAC

*P.S. Please call us at the office if you need more cards!*

Cut and give to a friend.

Hi

*Please give Bonnie CLAC a call to learn about their new car buying program. They worked with me to get the best car at the best price with the lowest loan rates. They can help you, too.*
